

# BLACK & WHITE & RE(A)D

## DRESS IS CASUAL . . .

and sensible—like you wear to school. Shorts and t-shirts are fine. Be prepared for warm weather. There is no air conditioning in the residence hall. Many students bring one set of “dressier” clothes for the closing ceremonies on Thursday morning. There will be talent show and a dance for workshop participants on Wednesday evening.

**NOTE:** You are only staying four nights. Try to pack as lightly as you can as everything goes smoother on registration day and the last day if everyone isn’t carrying all the comforts of home. If you know who your roommate will be, try to get together and talk about who’s bringing what so you don’t duplicate.
