

Students: Take a course in **VIDEO JOURNALISM** at the **MIPA Summer Journalism Workshop**

Learn about

CAMERAWORK, AUDIO/SOUND, WRITING, LIGHTING, EDITING on PCs and Mac. Plus, visit Lansing-area broadcast facilities!

Other reasons you won't want to miss this great week at MSU:

- Pay only \$365, which covers instruction, dorm room, meals, field trips, etc.
- Live on a college campus
- Meet lots of amazing people who are interested in journalism/video, just like you
- Play with some cool equipment that you probably don't own at home
- Get yourself prepared for all the great things you're going to do during your school year

Here's what some of last year's students said about the Video Journalism course:

75% said it was better than they expected, while the other 25% said it matched their expectations.

"I love video journalism and broadcasting!"

"(I learned) how to create a more interesting shot."

"All the speakers and (field) trips were great!"

"I felt more encouraged to ask questions."

"I learned how to edit on a computer."

"This course ROCKS!"

"The instructor explained things well and we had a lot of fun at the same time."

"I learned so much! There is more than expected."

The most affordable (and probably the most fun!) summer video program in the state.
