You Just Gotta Do This!

Ah the wonders of the World Wide Web and podcasting. You can learn a ton about Photoshop by logging on and downloading the Photoshop User TV (NAPP TV) podcast. Each week they post another great installment of Photoshop tips, tricks and great things to know. This is a FREE downloadable podcast using iTunes (Podcasts > Tech > Photoshop User TV). Then you can watch it on your computer at your leisure.

**For all of the back episodes try: <http://www.photoshousertv.com/shop/>
If you are a NAPP member you can get every previous episode for free.**
