

Advisers, you are not alone

MIPA is here to help

The MIPA board has begun a mentorship program for new advisers, those with only a few years of advising experience, or anyone who might be interested in help, advice, or a sympathetic ear from an experienced adviser.

If you would like to be put in touch with a journalism mentor for next school year, please fill in the information below and mail it to the MIPA office at 305 Communication Arts and Sciences Building, Michigan State University, East Lansing, MI 48824-1212 or fax to MIPA at 517-355-7710.

The MIPA board sees this as an excellent opportunity for advisers to have a supportive and open dialogue on all aspects of advising. As a mentee, your job would simply entail contacting your mentor whenever questions arise about advising or whenever you're looking for a sympathetic ear.
