

# Candidates needed!

**T**hree MIPA executive board positions are open, and we need to find people to fill them. We are searching for someone to become the second vice president, the secretary and one trustee position. Being on the board is a great chance to learn more about scholastic journalism and to become a part of the decision-making process when it comes to conferences and workshops, etc.

Please consider running. We know everyone is busy, but this might just be the time for you to get active at the state level in an organization that serves students and teachers all over Michigan.

If you'd like information about the duties of each position, please call the MIPA office at (517) 353-6761.
